

Girls JUST
WANNA HAVE FUN!

JOIN US FOR A FALL GIRL SCOUT WEEKEND

Nestled among 750 acres of wooded lakefront property, YMCA Camp Copneconic is the perfect place for your Girl Scout troop to experience the solitude of nature, while playing, learning and growing together as a group. We offer an extensive lineup of hands-on activities designed to keep your troop busy all weekend long. Simply choose your Saturday activities in advance and we will do the rest.

Our friendly and knowledgeable program staff takes care of all the details, facilitating activities so that troop leaders can relax and enjoy the entire weekend with their girls. Also, meals are prepared and served by our onsite food service team.

THE RIGHT DIRECTION FOR KIDS. FOR LIFE.
