

Dear Camp Community,

The YMCA of Greater Flint and Camp Copneconic is committed to providing a safe and enjoyable experience for everyone who enters our branch, including our staff team. Out of an abundance of caution, and following guidelines provided by the Genesee County Health Department and Governor Whitmer's office, we are encouraging social distancing to slow the spread of COVID-19, by closing Camp Copneconic to the public until April 13th. We will also be suspending all regular programs, events and workshops. All dates are subject to change based upon how the coronavirus pandemic continues to develop.

With 100 days until the start of summer, there is still plenty of time to have the best summer ever! The Camp office will remain open on a limited basis for phone calls during this closure and you can continue to register online. We thank you for your understanding as we work to help our community manage this crisis.

Brandon Dreffs, Executive Director
Camp Copneconic
